Dear Ms. Dortch:

On October 12, 2011, on behalf of General Communication, Inc., I spoke with Zac Katz, Chief Counsel and Senior Legal Adviser to Chairman Genachowski regarding the FCC's proposed universal service reforms as they effect Alaska. I stated that the national reform proposals we had heard would have a significant and harmful impact on Alaskan network deployment, and upgrades, to the detriment of consumers, jobs, economic opportunity and public safety.

A copy of this letter is being filed in the above-referenced dockets.

Sincerely,

John T. Nakahata
Counsel to General Communication, Inc.
